MOTION TO ACCEPT LATE-FILED  
JOINT SUPPLEMENTAL COMMENTS  
OF  
COMTECH, INC., RUSH NETWORK CORP., GLOBAL CELLULAR CORP.,  
and OVERALL WIRELESS COMMUNICATIONS CORPORATION

ComTech, Inc., Rush Network Corp., Global Cellular Corp., and Overall Wireless Communications Corporation (the "Joint Commenters") hereby submit the following Motion to Accept Late-Filed Joint Supplemental Comments in the above referenced proceeding. In support of their Motion, the Joint Commenters present the following reasons why the Supplemental Comments should be accepted:

1. On October 17, 1996, the Joint Commenters met with members of each Commissioners' staff to discuss the channel aggregation and spectrum efficiency issues raised in this proceeding. These *ex parte* presentations were summarized in an *ex parte*

notice filed with the FCC Secretary's office on October 18, 1996. These *ex parte* presentations are part of an ongoing effort by the Joint Commenters to address possible alternative approaches to the Commission's proposed spectrum efficiency standards for the 220-222 MHz band.

2. During the October 17, 1996, meetings, Commission staff members requested the Joint Commenters to more fully explain their proposed approach for the record in this rule making proceeding. Accordingly, these supplemental comments are filed to present the Joint Commenters' proposals for spectrum efficiency in the 220-222 MHz band.

3. No party is prejudiced by acceptance of these late-filed supplemental comments. Acceptance of these supplemental comments in the record of this proceeding will enable other parties to review the Joint Commenters' proposals that were previously only available to the public in summarized form as *ex parte* notices. Thus, acceptance of these supplemental comments will ensure that the record in this proceeding fully reflects the positions of all the parties involved. In the event the Commission decides not to accept these comments as late-filed, the Joint Commenters request the Commission to consider them as further *ex parte* or informal statements, pursuant to FCC rule section 1.41, 47 C.F.R. § 1.41 (1995).
